Information about JMU's testing strategy is
located above the dashboard. The university
currently follows CDC and VDH guidelines.

These numbers include tests administered to
students through the UHC, random sample
surveillance testing, and routine athletic screening.

Percent Positivity Rate from All JMU Student Tests
Seven-Day Moving Average

The Percent Positivity Rate is the proportion of positive student tests to the overall
number of tests administered by JMU to students. The percent positivity rate
averaged over the past seven days is shown to help account for daily variations.
