## Select Health Region

\* At least two (2) lab confirmed cases are required to classify an outbreak.

**Child care:** Includes the following settings: a child day care center, short-term child day center, religious-exempt child day center, family day home, family day system, voluntary registered family day home, or certified pre-school or any unlicensed facility functioning as a child day center.

**College/University:** Includes any public or private institute of higher education and post-high school technical and trade schools.

**K-12:** Includes public and private primary and secondary schools teaching kindergarten through 12th grade. K-12 settings may include outbreaks among Pre-K students if instruction is in a K-12 facility.

Click here for more information on outbreaks by selected settings, including Long Term Care Facilities and Schools (K-12) outbreaks.
