Information about JMU's testing strategy is located above the dashboard. The university currently follows CDC and VDH guidelines.

These numbers include tests administered to students through the UHC, random sample surveillance testing, and routine athletic screening.

Percent Positivity Rate from All JMU Student Tests  
Seven-Day Moving Average

The Percent Positivity Rate is the proportion of positive student tests to the overall number of tests administered by JMU to students. The percent positivity rate averaged over the past seven days is shown to help account for daily variations.
