| Northern       | Moderate Burden | ↓     | At Moderate Activity    |
| Northwest      | High Burden     | ↓     | At Substantial Activity |

At Substantial

Approaching  
Substantial

At Moderate

Approaching  
Moderate

At Minimal

At Low

The current pandemic status is presented as an activity level, which is comprised of a burden score and a trend score. The burden and trend scores are both calculated each Wednesday as the average of composite burden and trend scores from the previous week.

For more detailed data on the composite scores, please see the dashboard available here:
